

To whom it may concern,

Please consider my application to the position of the Assistant Professor. I am a PhD candidate in economics at Harvard University with expected graduation date May 2017. My primary research interests lie in the area of microeconomic theory, market design, the economics of digitization, and industrial organization. My job market paper, CV, the research and teaching statements are attached as separate files. The references are available upon request, see the list of references below.

Best regards,  
Gleb Romanyuk
